

Group Tours - Educational, Cultural and Voluntourism

CTS Tours offers safe, affordable, educational and enjoyable tours in Asia that appeal to educational, cultural and non-profit groups.

China has increasingly become a popular destination for group tours as a living classroom, with the ancient history, splendid culture, beautiful landscapes and various learning experiences available. More schools are adding Chinese to their curriculum and our specially designed tours provide a perfect mix of learning that make cultural and language immersion an enjoyable experience. All details are prearranged with attention to detail for the group's comfort and enjoyment.

CTS Tours frequently partner with teachers organising students to Asia to provide an immersive, educational experience at the guaranteed lowest price. The all-inclusive tours cover everything, from 24/7 Tour Directors that travel with the group throughout the journey to culturally rich activities, allowing travellers to discover Asia with hassle-free confidence to pursue project-based learning.

CTS Tours has suggested itineraries or we can provide a quote at no obligation based on your requirements. We will carefully handle your group, just as we do with thousands of New Zealanders every year.

Business Travel - Your partner in China and New Zealand

China is regarded as one of the largest trading markets in the world. It is most important to have a travel professional that really knows China because English speaking usually stops at the hotel door. CTS Tours is in a unique situation as an overseas branch of the CTS network with hundreds of offices throughout the region to provide local support and personalised service on a 24/7 basis.

To start with, business travel in China can be frustrating for a non- Chinese speaking person as planning a trip outside tourist attractions can be quite challenging. CTS is considered China's "one stop travel shop" because it handles millions of passengers every year to secure highly discounted contract rates for flights, hotels and all travel related services including transfers with an English speaking guide.

CTS is the appointed agent for major trade fairs in China and the Canton Trade Fair is the most popular, held each year in April and October. We can prearrange all details through our Hong Kong Head Office and there are CTS counters at Hong Kong airport. We offer substantially discounted contract hotel rates and can book transportation tickets (ferry, train or bus tickets) plus airport transfers.

CTS is a bonded member of the Travel Agents' Association (TANNZ), International Air Transport Association (IATA) and the Inbound Tour Operation Council (ITOC). CTS is also an active member of the Auckland Chamber of Commerce and the New Zealand China Trade Association.
